

# Hawthorn District 73

841 West End Court • Vernon Hills, IL 60061

The Illinois State Legislature passed the "Secular Textbook Loan Program" in 1975 designed to provide free textbooks to Illinois students at state expense. The Program has never been fully funded by the State Legislature. Instead, each year appropriations are made for several grade levels. If any funds are left, the money is then spent on the next grade levels until it is all gone. To meet the state requirements and to insure that we are properly prepared for any money that may be appropriated, we are asking every student to complete the attached loan request form. The Illinois Office of Education is permitting us to use a permanent request form that will be kept on file until the student graduates or transfers.
