TENTATIVE LAST DAY

If school must be canceled during the year for snow days or other reasons, we will make up that time at the end of the year. For this reason, the last day of school is tentative. Any "snow days" will be made up by moving the last day of school.

In addition, the state will no longer give credit for partial days. Therefore, all planned attendance days are full days.

Dates subject to change. Check with your school or at www.hawthorn73.org for the most current calendar.
