

Dear Hawthorn parents,

I hope you are doing well! My name is Ian Joe, and I am the National Honors Society (NHS) Director of Fundraising at Vernon Hills High School. I just wanted to inform you about a new initiative by the NHS called *VH Engage*.

VH Engage is a free non-academic tutoring program for incoming K-5th grade students. Since many families are spending more time at home because of quarantine restrictions, we thought that this would be a great opportunity to serve our community virtually. We would like to offer your children **30 minute virtual lessons** through Zoom or Skype in various subjects such as music, voice, chess, origami, art, lab science, and reading books. Once quarantine restrictions ease up, we would love to continue this program through in-person sessions.

We are not charging for this program, but if you feel inclined to do so, we would appreciate your donation to the National Honors Society fund (please donate using [this link](#)), which we use to support other programs of the NHS as well as various charities. **If you are interested in signing up for *VH Engage*, please fill out this short [Google Form](#).**

If you have any questions or concerns, please email me (Ian) at ian.joe@vhscougars.org.

Best regards,
Ian Joe
